# Thank you for helping us celebrate agriculture of community!

Dear 2025 UP State Fair Exhibitors.

The Upper Peninsula State Fair Authority representing all fifteen counties of the Upper Peninsula and Hannaville Indian Community welcomes you to our 2025 Upper Peninsula State Fair.

Planning for this year's fair begins with review of suggestions from exhibitors, department superintendents and representatives by the Department Advisory Committee (DAC). After several meetings of much discussion and debate the final changes are reviewed by the Fair Management Team who then presents them to the Fair Authority for final approval.

You, the exhibitor plays such an important role in educating our fair guests with your exhibits of various crops, livestock, agricultural technology, the latest in crafts and food displays. The various youth competition events also provide entertainment for the public and the opportunity to display your good sportsmanship with fellow exhibitors.

Fair week is a time to renew past fair acquaintances and make new ones. A time with family and friends to enjoy fantastic midway rides provided by the Skerbeck Entertainment Group, traditional fair food options and the latest items from various merchant booths. The fair management team has put together an exciting variety of grand stand shows and midway entertainment for you again this year.

We thank you, the exhibitors and your parents for all your effort and time in presenting such great exhibits.

Enjoy your time and share your smiles,

Matt Jensen

The 2025 Upper Peninsula State Fair Authority

LANSING

Dear Friends.

It's that time of the year again, Michigan—time to grab your family and friends and enjoy a Michigan fair. From the expansive livestock barns of the Allegan County Fair to the demolition derby at the Armada Fair, Michigan's fairs are full of educational opportunities and entertainment for the whole family.

There's something truly special about our communities coming together each year for their fairs and celebrating what makes Michigan such a great place to live—our vibrant communities, rich agricultural heritage, and hardworking families. Whether you're enjoying local foods, cheering on the next generation of 4-H stars and future leaders of Michigan's agricultural industry, or just soaking in the excitement, I have no doubt that you will have a great time at your local fair.

As your Governor, I am proud of the hard work and passion that goes into the exhibits and projects showcased at our fairs. Whether you are a sponsor, exhibitor, or fairgoer, thank you for supporting your community and I hope you enjoy one of Michigan's many fairs this summer!

Sincerely,

Gretchen Whitmer Governor of Michigan

GRETCHEN WHITMER GOVERNOR

#### STATE OF MICHIGAN DEPARTMENT OF AGRICULTURE AND RURAL DEVELOPMENT

DR. TIM BORING DIRECTOR

Dear Friends.

On behalf of Michigan's fair industry, welcome to the 2025 fair season!

Millions of people attend Michigan's fairs each year, enjoying the sights, sounds, and activities that have become an annual tradition across the state.

Michigan's fairs are cornerstones of social and cultural community identity. These annual events bring people together and maintain essential connections to rural traditions at a time when people are increasingly disconnected from agriculture and food production. Our state's 85 local, county, and state fairs provide safe, family-friendly entertainment and celebrate our important agricultural heritage.

Fairs also support nearly 50.000 Michigan youth who participate in livestock and community art exhibitions each year. These youth activities are meaningful educational and professional development opportunities and build lifelong connections with agriculture. The support provided by local businesses and families also provides meaningful resources for continuing education.

Whether you are here as a sponsor, exhibitor, or fairgoer, many family memories await you. I wish you great adventures during the 2025 fair season.

Sincerely,

Dr. Tim Boring
